Jim,

I just wanted to touch base and let you know that you will NOT be needed for the [REDACTED] case on 8-8-12. I know we had sent you the summons for trial (I hope you got it...) but at this point the case is unlikely to proceed to trial.

Thank you so much for your help in this matter, in particular getting the testing done so quickly, and getting the packet and your CV out so quickly as well. You have been a great help in this case and I appreciate your efforts.

If you have any questions, please don't hesitate to contact me.

Thank you,
Amanda Fowle

Hi James,

I'm the ADA handling the [REDACTED] matter, and I am in receipt of the drug certificate. If you could please send me your CV and any drug notes for the case for final preparations for trial I would greatly appreciate it.

Thank you,
